

A Great Mini Reunion - Deanna Tompkins (Tommy's wife)

Weekend of August 17/18/19 2012, held at Sgt. Wayne Brown's home. (Picture link on website)

Bobby Goins roasted a pig - you'll see him and his cooking wagon - We enjoyed wagon tours around Wayne's expansive Farm -- will send the sign of the farm. LOTS of awesome autos -- it was like a carshow! Virginia, Wayne's wife - baked HOMEMADE cherry pies and peach pies-- they disappeared so quickly! A live band - friends of Shorty Menendez - the Noland Band -performed for us and it was wonderful! Everyone enjoyed being together and sharing in the gorgeous Tennessee countryside - and sharing pics and stories and memories.. So glad we have UNITED _ - great reunion and thanks to those who did so much for so many. Wayne has started a scholarship fund for a fallen soldier -- it is in the memory of Dale Erdman. He was from Wisconsin. Shorty's book includes his death at that battle. The scholarship is open to kids and grandkids of the 3/22nd Great way to honor the memory! A raffle was held - to raise \$\$ - and it was very successful. Shorty had his latest book there-- Battle at Straight Edge Woods by Stephen (Shorty) Menendez Don Crutchfield - the photographer in Nam - was present and taking notes! Watched great videos taken by the media in Nam.
