

Sacramento reunion comments from Rick DeNomme:

First and foremost I would like to thank Jose and Helen (Gonzales) and the rest of their committee for an outstanding reunion. I think all went well other than maybe one bus being a bit warm.

Another item is the Medallions. When I first saw them I thought they looked nice but what would I do with them? Well I purchased a few of them not knowing the answer to that question. The answer to that question came soon after arriving back home. I happened to have one of them in my pocket when I went to get my keys or change and someone saw it and asked what it was. Since then I keep one with me all the time and am constantly getting into conversations about our association, which I also love to do. I've already given a couple away and will soon be calling Jose for more. So those of you that weren't able to be at the reunion may also be interested in them.

I would also like to thank everyone who brought items for the raffle and for purchasing tickets. I think our treasurer would admit that the raffle has a lot to do with keeping the books looking good.

The last item: I would like to thank everyone for entrusting me with the position of secretary for another term, I will do my best for this organization, feel free to call at any time, (952) 955-2806. Rick DeNomme, Secretary
